Schedule

2008 – it is already winter. This year seems to be happening without much planning I am going with the flow

A TRIBUTE TO BETH.

I am writing this newsletter with much gratitude.
My initiating master of Reiki 1 & Reiki 2 Rev. Beth Gray passed away last month. She has been in a nursing home for many years. She died peacefully.
I give gratitude to all the many gifts she passed onto me.
Her knowing eyes
Her beautiful smile
Her spiritual guidance especially her Reiki 2 experiences
I give immense gratitude to you Beth
You will always be remembered in my hands and in my heart.
Love Jan

My son Nigel married Mary in February at Toowoomb Bay, it was a gorgeous day. My other son Corey and his family visited from England for a few weeks earlier this year the weather was wonderful. So it was a wonderful beginning for me for 2008.

REIKI STUDENTS GATHERING Usui Shiki Ryoho

Visit From Phyllis Lei Furumoto Lineage Bearer /Grandmaster.

We are very privileged that Phyllis will be available for the day. This is the last time that she plans to visit Australia so it would be a great opportunity to spend time with her. Phyllis will be sharing some history with us for the Usui Shiki Ryoho.
Phyllis suggested it would be a great opportunity to share treatments as well.
